Where The Streets Have No Name by U2

...

I want to run

I want to hide

I want to tear down the walls

That hold me inside

I (1)_____ to (2)_____ out

And touch the flame, yeah

Where the (3)_____ have no name

I (4)_____ to feel sunlight on my face

I see the dust cloud disappear

Without a trace

I wanna take shelter

From the poison rain, yeah

Where the streets (5)_____ no name

...

Where the streets have no name

Where the streets have no name

We're still building, then burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

The city's a flood

And our love turns to rust

We're beaten and blown by the wind

Trampled in dust

I'll show you a place

High on a desert plain

Where the streets have no name

...

Where the streets (6)_____ no name

Where the (7)_____ have no name

We're still building, then burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

Our (8)_____ turns to rust

We're beaten and (9)_____ by the wind

Blown by the wind...

See our (10)_____ turn to rust

I'll be beaten and blown by the wind

Blown by the wind

(Oh) and when I go there

I go there with you

It's all I can do

...
