

Lua by Bright Eyes

Fill in the gaps

I know that it is freezing
But I think we have to walk
I keep waving at the taxis
They keep (1)_____ (2)_____ lights off
But Julie knows a party
At some actor's west (3)_____ loft
Supplies are endless in the evening
By the (4)_____ they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the (5)_____ and the pigeons
And my window reflection
The mask I polish in the evening
By the (6)_____ (7)_____ like ****
And I (8)_____ you have a heavy heart
I can (9)_____ it (10)_____ we kiss
So many men stronger (11)_____ me
Have thrown their backs out trying to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the morning won't exist
You're looking skinny like a model
With (12)_____ (13)_____ all painted black
You just keep (14)_____ to the bathroom
Always say you'll be right back

Well it takes one to know one, kid
I think you've got it bad
But what's so (15)_____ in the evening
By the morning is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you (16)_____ to stay conscious
I (17)_____ try and do the same
Well, we might die from medication
But we'll (18)_____ kill all the pain
But (19)_____ was normal in the evening
By the morning seems insane
And I'm not sure what the trouble was
That started all of this
The (20)_____ all (21)_____ run away
But the feeling (22)_____ did
It's
Not something I would recommend
But it is one way to live
'Cause what is (23)_____ in the moonlight
By the morning (24)_____ is
It was so simple in the moonlight
Now is so complicated
It was so simple in the moonlight
So simple in the moonlight
So simple in the moonlight...
