

Fill in the gaps

Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well (1)_____ alright because I love the way
you lie

I love the way you lie

[Eminem]

I can't tell you what it really is
I can only tell you what it feels like
And right now there's a steel knife in my windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right (2)_____ like I'm in
flight

High off of love, drunk from my hate

Its like I'm huffing paint

And I love it the more that I suffer, I suffocate

And right before I'm about to drown she resuscitates me

She fucking hates me and I love it, wait

Where you going, I'm leaving you

No you ain't, come back

We're running right back

Here we go again, it's so insane

Cause when it's going good it's (3)_____ great

I'm superman with the wind at his back, she's Lois Lane

But when it's bad it's awful I feel so ashamed, I snapped

Who's that dude I don't even know his name

I laid hands on her, I'll never stoop so low again

I guess I don't know my own strength

[Rihanna]

Just gonna stand there and watch me burn

Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry

Well that's (4)_____ because I love the way you
lie

I love the way you lie, I love the way you lie

[Eminem]

You ever love somebody so much

You can barely breathe when you're with 'em

You meet and neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills used to get 'em

Now you're getting fucking sick at lookin at 'em

You swore you'd never hit 'em

Never do nothing to hurt 'em

Now you're in each others face

Spewing venom in your words when you spit 'em

You push, pull each other's hair, scratch, claw

Fill in the gaps

So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your separate ways
Guess they don't know you
Cause today, that was yesterday
Yesterday is over, it's a different day
Silent broken records playing over
But you promised her next time you'll (5)_____ restrain
You don't get another chance
Life is no nintendo game, but you lied again
Now you get to watch her leave out the window
I guess that's why they call it window pane
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie, I love the way you lie
[Eminem]
Now I know we said things
Did things that we didn't mean
And we fall back into the same patterns, same routine
But your temper is (6)_____ as bad as mine is
You're the same as me
When it comes to love you're (7)_____ as blinded
Baby, please (8)_____ back it wasn't you maybe it was
me
Maybe our relationship isn't as crazy as it seems
Maybe that's what happens when a tornado meets a volcano
All I know is I love you too much to walk away though
Come inside, pick up your (9)_____ off the sidewalk
Don't you hear sincerity in my voice when I talk?
Told you this is my fault, look in the eyeball
Next time I'm pissed I'll aim my fist at the drywall
Next time, there won't be no next time
I apologize even though I know it's lies
I'm tired of the games I just want her back
I know I'm a liar if she ever tries to fucking leave again
I'mma tie her to the bed and set this house on fire
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I (10)_____ the way you lie, I love the way you lie

Fill in the gaps

Answer
