

Fill in the gaps

Feel For You by Nightwish

You were my first love
The (1)_____ moving under me
Bedroom scent, beauty ardent
Distant shiver, (2)_____ sent
I'm the snow on your lips
The freezing taste, the (3)_____ sip
I'm the breath on your hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The (4)_____ among the thorns
The (5)_____ among the wolves
Someday, I will feed a snake
Drink her venom, stay awake
With time all pain will fade
Through your memory I (6)_____ wade
Barely cold in her grave
Barely warm in my bed
Settling for a draw tonight
Puppet girl, your (7)_____ are mine
Barely cold in her grave

Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
