SUB inglês

So let's set the world on fire We can burn brighter

Fill in the gaps

We Are Young (Acoustic) by Fun & Janelle Monáe

Give me a second I	Than the sun
I need to get my story straight	Tonight
My friends are in the bathroom	We are young
Getting higher than the Empire State	So let's set the world on fire
My lover, she is waiting for me	We can burn brighter
Just (1) the bar	Than the sun
My seats been taken by some sunglasses	Carry me home tonight
Asking about a scar and	Carry me home tonight
I know I gave it to you months ago	Carry me home tonight
I know you're trying to forget	Carry me home tonight
But (2) the (3) and subtle	(Carry me home tonight)
things	The moon is on my side
The (4) in my apologies, you know	I have no to reason to run
I'm trying hard to take it back	(Carry me home tonight)
So if by the time	So will someone come and carry me home tonight
The bar closes	(Carry me (8) tonight)
And you feel like falling down	The angels never arrived
I'll carry you home	But I can hear the choir
Tonight	(Carry me (9) tonight)
We are young	So will someone come and carry me home
So let's set the world on fire	Tonight
We can burn brighter	We are young
Than the sun	So let's set the world on fire
Tonight	We can burn brighter
We are young	Than the sun
So let's set the world on fire	Tonight
We can burn brighter	We are young
Than the sun	So let's set the world on fire
And I (5) that I'm not	We can burn brighter
All that you got	Than the sun
I (6) that I	So if by the time
I just thought	The bar closes
Maybe we could (7) new ways to fall apart	And you feel like falling down
But our friends are back	(Oh) I'll carry
So let's raise a toast	You home
'Cause I found someone to carry me home	Tonight
Tonight	
We are young
