

## Fill in the gaps

### While Your Lips Are Still Red by Nightwish

Sweet little words made for silence

Not talk

Young heart for love

Not heartache

Dark hair for catching the wind

Not to veil the (1)\_\_\_\_\_ of a cold world

Kiss, while (2)\_\_\_\_\_ lips are still red

While he's still silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're still blind

Love while the night still hides the withering dawn

First day of love never comes back

A passionate hour's never a wasted one

The violin, the poet's hand

Every thawing (3)\_\_\_\_\_ plays your theme with care

Kiss, while your lips are still red

While he's (4)\_\_\_\_\_ silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into (5)\_\_\_\_\_ while they're still blind

Love while the night still hides the withering dawn...

(Oh...)

Kiss, while (6)\_\_\_\_\_ lips are still red

While he's (7)\_\_\_\_\_ silent rest

While bosom is still untouched, unveiled

Hold another hand

While the hand's still without a tool

Drown into eyes while they're (8)\_\_\_\_\_ blind

Love while the night still hides the withering dawn...

## Fill in the gaps

Answer

1. sight
2. your
