(I Just) Died In Your Arms by Cutting Crew

(Oh I)

I just (1)_____ in your arms tonight

It must have been something you said

I just died in your arms tonight…

I keep looking for something I can't get

Broken hearts, they're all around me

And I don't see an easier way to get out of this

Her diary sits by the bedside table

The curtains are closed

The cat's in the cradle

Who would have thought that a boy like me

Could come to this?

(Oh I)

I (2)_____ died in your arms tonight

It must have been something you said

I just died in your arms tonight

(Oh I)

I just died in your arms tonight

It must (3)_____ been some kind of kiss

I should have walked away

I (4)_____ have walked away

Is there any just cause for feeling like this?

On the surface I'm a name on a list

I try to be discreet

But then blow it again

I've (5)_____ and found it's my final mistake

She's loving by proxy

No give and all take

'Cause I've been thrilled to fantasy

One too many times

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight

(Oh I)

I (6)_____ died in your arms tonight

It must have been some (7)_____ of kiss

I should have walked away

I should have walked away

It was a long hot night

She made it easy

She made it (8)_____ right

But now it's over

The moment has gone

I followed my (9)_____ to my head

I know I was wrong

(Oh I)

I just died in your arms tonight

It must have (10)_____ something you said

I just died in your arms tonight

I should have walked away
