You were like my lover and my best friend

All wrapped into one (1)_____ a (2)_____ on it

And all of a sudden, when you left

I didn't know how to follow

It's like a shot that spun me around

And now my heart's dead

I feel so empty and hollow

And I'll never give myself to another

The way I (3)_____ it to ya

Don't even recognize the (4)_____ you hurt me, do ya?

It's gonna (5)_____ a miracle to bring me back

And you are the one to blame

And now I feel like (ooh!)

You're the reason why I'm thinking

I don't wanna smoke on these cigarettes no more

I guess that's what I get for wishful thinking

Should've never let you enter my door

Next time you wanna go on and leave

I should just let you go on and do it...

'Cause now I'm using like I bleed

It's (6)_____ I checked into rehab

And baby, you're my disease

It's like I checked into rehab

Baby, you're my disease
