

Fill in the gaps

What Goes Around... Comes Around by Justin Timberlake

...

Hey girl

Is he everything you wanted in a man?

You (1)_____ I gave you the world

You had me in the palm of your hand

So, why the love went away?

I (2)_____ can't seem to understand

Thought it was me and you, baby

Me and you (3)_____ the end

But I guess I was wrong

Don't wanna think about it

Don't wanna talk (4)_____ it

I'm just so (5)_____ about it

I can't believe it's ending this way

Just so confused (6)_____ it

Feeling the blues about it (yeah)

I just can't do without ya

Tell me is this fair

Is this the way it's really going down?

Is this how we say goodbye?

Should've known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

'Cause I know that you're living a lie

But that's ok, baby

'Cause in time you will find

What goes around, goes around, (7)_____ around

Comes all the way back around

What goes around, (8)_____ around, goes around

Fill in the gaps

Comes all the way back around

What goes around, goes around, (9)_____ around

Comes all the way back around

What (10)_____ around, goes around, goes around

Comes all the way back around

Yeah

Now Girl

I remember everything that you claimed

You said that you were moving on now (on now)

Maybe I should do the same

(Maybe I (11)_____ do the same)

The funny thing about that is

I was ready to (12)_____ you my name

Thought it was me and you baby (baby)

And now, it's all just a shame

That I guess I was wrong

(...)

Don't wanna think about it (no)

Don't wanna talk about it

I'm just so sick (13)_____ it

I can't believe it's ending this way

Just so confused about it

Feeling the blues (14)_____ it (yeah)

I just can't do without ya

Can you tell me is this fair

Is (15)_____ the way it's really going down?

Is this how we say goodbye?

Should've known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Fill in the gaps

'Cause I know that you're living a lie

But that's ok, baby

'Cause in time you will find

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

Yeah

(...)

Don't wanna think (16)_____ it (no)

Don't wanna (17)_____ about it

I'm just so (18)_____ about it

I can't believe it's ending (19)_____ way

Just so confused about it

Feeling the (20)_____ about it (yeah)

I just can't do without ya

Tell me is (21)_____ fair

What goes around, goes around, goes around

Comes all the way (22)_____ around

What goes around, (23)_____ around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way (24)_____ around

What goes around, goes around, goes around

Comes all the way back around

Yeah

Fill in the gaps

(...)

(Let me paint this picture for you, baby)

You spend (25)_____ nights alone

And he never comes home

And everytime you call him

All you get a busy tone

I heard you found out

That he's doing to you

What you did to me

Ain't that the way it goes

When you cheated, girl

My heart bled, girl

So keep going without saying

That ya left me feeling hurt

Just a classic case a scenario

Tell is over

Girl, you got (26)_____ you deserved

And now you want somebody

To (27)_____ the lonely nights

You wish you had somebody

That could come and make it right

But girl, I ain't somebody

Whit a lot of sympathy

See...

What goes around comes back around

I thought I told ya (hey...)

What goes around (28)_____ back around

I thought I (29)_____ ya (hey...)

What goes around comes back around

I thought I told ya (hey...)

Fill in the gaps

What goes around comes back around

I thought I told ya (hey...)

See...

You shoulda listened to me, baby...

Baby...

Because "What goes around comes back around"

...

Fill in the gaps

Answer

1. know
2. just
3. until
4. about
5. sick
