Fucking with your heart (6)_____ I was the predator
In my book of lies I was the editor and the author

And now I apologize for what I did to you
Cuz what you did to me I did to you
[Chorus]
Nononono baby, nononono don't lie
Nononono, yeah you know know know know you

brain

Too many lies committed too many games
She feeling like a fool getting on the last train
Trying to maintain but the feeling won't change
I'm sorry for the things that I've done and what I
became
Caught up in living my life in the fast lane
Blinded by lights, cameras, you know the fame
I don't know the reason why I did these things
And I lie and I lie and I lie and I lie
And now ya emotions are drained
When I lie and I lie and a little lie lie
And now ya emotions are drained
[Chorus x2]
Yo, I'm lying to my (10)_____ even though I love her
And she all in my world
I give her all my attention and diamonds & pearls
She's the one who makes me feel on top of the world
Still I'm lyin' to my girl, I do it
And I lie and I lie and I lie till there's no turning back
I don't know why, and I lie and I lie till I don't know
who I am
And then I tell myself
Nononono baby, nononono don't lie
Nononono, yeah you know know know know you
gotta try
What you gonna do when it all comes out
