

'Cause your bed lies vacant at night

Fill in the gaps

Something Beautiful by Robbie Williams

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The silence was pitiful	Can't (11) it
That day	Try as you might
Our love is (1) too cynical	May you find (12) love that won't leave you
Passion's just physical	May you (13) it by the end of the day
These days	You won't be lost, hurt, tired and lonely
You analyze everyone you meet	Something (14) (15) come
But get no sign, love ain't kind	your way
Every night you (2) defeat	(Will come your way)
And cry yourself blind	Some kind of beautiful
If you can't wake up in the morning	(Will come your way)
'Cause your bed lies vacant at night	Some kind of beautiful
If you're lost, hurt, tired or lonely	(Will (16) your way)
Can't (3) it	Some kind of beautiful
Try as you might	(Will come your way)
May you find that (4) (5) won't	All your friends think you're satisfied
(6) you	But they can't see your (17) no, no, no
May you find it by the end of the day	Forgot the (18) (19) petrified
You won't be lost, hurt, tired and lonely	When they (20) alone
Something beautiful will (7) (8) way	If you can't wake up in the morning
The DJ said on the radio	'Cause your bed (21) vacant at night
Life should be stereo	If you're lost, hurt, tired or lonely
Each day	Can't (22) it
In the past you cast the unsuitable	Try as you might
Instead of (9) kind of beautiful	May you find (23) love that won't leave you
You just couldn't wait	May you (24) it by the end of the day
All your friends think you're satisfied	You won't be lost, hurt, tired and lonely
But they can't see your soul no, no, no	Something beautiful will come (25) way
Forgot the time feeling petrified	You won't be lost, hurt, (26) and lonely
When they lived alone	Something beautiful will (27) your way
If you can't (10) up in the morning
