

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea (1)_____ from the shore
As the light sinks low, (2)_____ I see you any more?
As the rain falls from the sky
Can I bring you back, from a distant lullaby?
Show me your vision, the story begun
Two lights are rising and (3)_____ as one
In the deep blue of the night
Shine the millions of stars and my spirit burning bright
Spinning on, into the sun
Flying higher now my journey's begun
And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me
There's a star, (4)_____ my name
It's (5)_____ is (6)_____ and the (7)_____ is not the same
Take my hand and lead me away
Bring me back to you in (8)_____ arms I'm going to stay
Tell me (9)_____ vision, the story begun
Two lights are rising and burning as one
All those years drifting in space
I have known you well, yet I've never seen (10)_____ face
You turn around, looking at me
Laughter in your eyes and now I can see
And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me

Fill in the gaps

Answer

1. falls
2. will
3. burning
