I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have (1)_____ you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you (2)_____ your sleep
To make love to you
Is (3)_____ alright
I drove all night
What in this world
Keep us (4)_____ (5)_____ apart
No matter where I go I hear
The beating of your heart
I think about you when the night is cold and dark
No one can move me the way that you do
Nothing erases this (6)_____ between me and
you

I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from (7)_____ sleep
To make love to you
Is that alright
I drove all night
I taste your sweet kisses (8)_____ arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is (9)_____ alright
I drove all night
Crept in your room
Woke you from your sleep
To make (10)_____ to you
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
