

Fill in the gaps

Backtrack by Rebecca Ferguson

I can't	And I don't (12) to cry
Go (1) with it	It's just the smoke gets in my eyes
You can say just what you like	You're breathing (13) I want to believe in
But you still did it	When I'm (14) you (15) out
You backtrack	the door
And change your act at a hundred lies a minute	I (16) fall through the floor
But (2) as I am I won't go (3)	I can't
(4) it	Go along with it
Am I confused, am I a	You can say (17) what you like
Crazy person, you say it's	But you (18) did it
Old news she doesn't	You backtrack
Mean nothing	And change your act at a hundred lies a minute
But don't you understand that I am heartbroken	But fool as I am I won't go along with it
No matter what you do you just can't (5) it untrue	Let the battle drum stop
You're (6) lies I want to believe in	I wanna turn (19) the clock
When I'm watching you walk out the door	I (20) find the missing pieces
I could fall (7) the floor	Of the whole love I lost
I can't	You say it like you mean it
Go along with it	And I (21) to believe it
You can say (8) what you like	'Cause I can't stop this feeling
But you still did it	l can't
You backtrack and (9) (10) act	Go along with it
At a hundred lies a minute	You can say just what you like
But fool as I am I won't go along with it	But you still did it
Too (11) to lose and it's	You backtrack
Still raining, I know it's	And (22) your act at a hundred lies a minute
Not a game so I'll	But (23) as I am I won't go along with it
Stop playing	
But oh, my heart's on fire and it	
Keeps burning
