

Fill in the gaps

You had (1) to hide	The (16) before
Should have hidden it, shouldn't you	Never (17) is what you swore
Now you're not satisfied	The time before
Nith what you're (2) put through	Now you're (18) (19)
t's (3) time to pay the price	tongue tied
For not (4) to advice	You'd better (20) (21)
And (5) in your youth	(22) well
On the (6) of truth	Hide what you have to hide
Things could be so different now	And tell what you (23) to tell
t (7) to be so civilised	You'll see your problems multiplied
You will (8) wonder how	If you continually decide
t could have been if (9) only lied	To (24) pursue
t's too late to (10) events	The (25) of truth
t's (11) to (12) the consequence	Never (26) is what you swore
For (13) the proof	The time before
n the policy of truth	Never again is what you swore
Never (14) is (15) you swore	The time before

1. something
