

Fill in the gaps

Like I Love You by Justin Timberlake & Clipse

Just something about you

The way I'm lookin' at you, whatever

You keep lookin' at me

You gettin' scared now, right?

Don't fear me baby, it's just Justin

It feel good right?

Listen

I kind of noticed, from one night

From the club, your front face

It's kind of weird to me

Since you're so fine

If it's up to me your face will change

If you smiling, that should set the tone

Just be limber

And if you let go

The (1)_____ should groove your bones

Just remember

Sing this song with me

Ain't nobody (2)_____ you like I love you

You're a good girl and that's what makes me trust ya

Late at night, I (3)_____ to you

You will know the difference when I touch you

People are so phony

Nosy 'cause they're lonely

Aren't you sick of the same thing?

They say so and so was dating

Love you or they're hatin'

When it doesn't matter anyway

'Cause we're (4)_____ tonight

Fill in the gaps

If you smiling, that (5)_____ set the tone

Just be limber, baby

And if you let go, the (6)_____ should groove your bones

Baby, just remember

Sing (7)_____ (8)_____ with me

Ain't nobody love you like I love you

You're a good girl and that's what makes me trust ya

(Hey) late at night, I talk to you

You will (9)_____ the difference (10)_____ I touch you

Yeah, you (11)_____ I can make ya happy

I could change (12)_____ life

If you (13)_____ me that chance

To be your man

I won't let you (14)_____ baby

If you give me that chance

To be your man

Here baby, put on my jacket

And then

Maybe we'll fly tonight (I just wanna love you baby)

(Yeah, yeah, yeah)

Maybe we'll fly (15)_____ (I just (16)_____ love you baby)

Girl

Ma, what you wanna do?

I'm in (17)_____ of you

Grab a friend, see I can (18)_____ fun with two

Or me and you put on a stage show

And the mall kids, that's how to change low

From them you heard "wow, it's the same glow"

Look at me, I say "yeah, it's the same dough"

We the same type, you my air of life

Fill in the gaps

You have sleepin' in the same bed, every night

Go rock (19)_____ me, you (20)_____ the best

Take a few shots

Let it burn in your chest

We could ride down

Pumpin' N.E.R.D. in the deck

Funny how a few words turn into sex

Play this free, joint called "Brain"

Ma, take a hint

Make me swerve in the lane

The name Malicious

And I burn every track

CliPse and J. Timberlake

Now how heavy is that?

Maybe we'll fly tonight (I just (21)_____ (22)_____ you baby)

(Yeah, yeah, yeah)

Maybe we'll fly (23)_____ (I just wanna love you baby)

Girl

...

Ain't nobody love you like I love you

You're a good girl and that's what makes me trust ya

Late at night, I talk to you

You will (24)_____ the difference when I

Break this down

You know

I used to dream about this when I was a little boy

I never thought it would end up this way

Drums

(Hey...)

It's kind of (25)_____ right? yeah

Fill in the gaps

You know, you think about it

Sometimes people just destined

Destined to do what they do

And that's what it is

Now everybody dance
