

## Fill in the gaps

When you were standing in the wake of devastation	You build up (15) but failure's all
When you were waiting on the edge of the unknown	(16) known
And (1) the (2) raining	Remember all the (17) and frustration
down	And let it go
Insides crying, save me now	Let it go
You were there, (3) alone	Let it go
Do you feel (4) and (5) in desperation	Let it go
You build up hope but failure's all (6)	Let it go
known	Let it go
Remember all the (7) and frustration	Do you (18) cold and lost in desperation
And let it go	You build up (19) but failure's all you've known
Let it go	Remember all the (20) and frustration
And in a burst of (8) that blinded every angel	And let it go
As if the sky had blown the (9)	Let it go
(10) stars	
You felt the gravity of (11) grace	
Falling into (12) space	
No one (13) to catch you in their arms	
Do you feel (14) and lost in desperation
