## Fill in the gaps

Nobody wanna see us together	Got every right to wanna go
But it don't matter no	Got every right to hit the road
'Cause I got you babe	And never talk to me no more
Nobody wanna see us together	You don't even have to call
But it don't matter no ('cause I got you babe)	Even check for me at all
'Cause we gonna fight	Because the way I (6) actin' lately
(Oh yes) we gonna fight (we gonna fight)	Has been off the wall
Believe we gonna fight (we gonna fight)	Especially toward you
Fight for our right to love yeah	Putting girls before you
Nobody (1) see us together	And they watching everything I been doing
But it don't matter no ('cause I got you)	Just to hurt you
Nobody wanna see us together	Most of it just ain't ain't true (ain't true)
Nobody thought we'd last forever	And they won't show you
I feel 'em hopin' and prayin'	How much of a queen you are to me
Things between us don't get better	And why I love you baby
Men steady comin' after you	Nobody wanna see us together
Women steady somin' after me	But it don't matter no ('cause I got you baby)
Seem like everybody wanna go for self	Nobody wanna see us together
And don't wanna respect boundaries	But it don't matter no ('cause I got you baby)
Tellin' you all those lies	'Cause we gonna fight
Tellin' you all those lies Just to get on your side	'Cause we gonna fight (Oh yes) we gonna (7) (we (8)
