

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ (2)_____ of white-flamed
butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (3)_____ (4)_____ my
brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (5)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If (6)_____ I am is what I am, 'cause I (7)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a (8)_____ (9)_____ my
brain
I just want to feel everything
I (10)_____ want to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna (11)_____ the mill a little while and
If we had a double (12)_____ size bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I (13)_____ what I does
And (14)_____ I'd relax, let my breast (15)_____
bust open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's (16)_____ (17)_____
my brain
I just want to feel everything
I just want to feel everything
I (18)_____ want to (19)_____ everything
I (20)_____ (21)_____ to feel everything
