

## Fill in the gaps

### Thanks For The Memories by Fall Out Boy

I'm gonna make you bend and break.

Say a prayer, but let the (1)\_\_\_\_\_ times roll,

In case God doesn't show. (Let the good times roll)

And I want (2)\_\_\_\_\_ word to make things right,

But it's the (3)\_\_\_\_\_ that make the words come to life.

"Who does he think he is?"

If that's the worst you got,

Better put your fingers back to the keys.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you (4)\_\_\_\_\_ sweeter."

Ohh

Been looking forward to the future,

But my eyesight is going bad.

And this crystal ball,

Is always cloudy,

Except for (except for)

when you look into the past (look into the past)

One (5)\_\_\_\_\_ stand.

One night stand.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night yeah and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you (6)\_\_\_\_\_ sweeter."

Ohh

They say I only think in the form of crunching numbers.

In hotel rooms,

Collecting (7)\_\_\_\_\_ six lovers.

Get me out of my mind.

Get you out of those clothes.

I'm a (8)\_\_\_\_\_ away,

From getting you (9)\_\_\_\_\_ the mood.

One night and one more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night yeah and one more time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you only sweeter."

Ohh

One more night.

One more time.

Thanks for the memories,

Even though they weren't so great.

"He tastes like you only sweeter."

One night and one (10)\_\_\_\_\_ time.

Thanks for the memories.

Thanks for the memories.

See, "he tastes like you only sweeter."

Ohh.

Answer

1. good
2. these
3. wrongs
4. only
5. night
6. only
7. page
8. liner
9. into
10. more
