

## Fill in the gaps

Just a normal day	Hope (13) died
Streets turn into graves	Lost and so alone
Traces (1) been removed	Born but never known
The search was disapproved	Left all on (14) own
So cold the night	Forgotten children
The weak ones lose the fight	We'll never hear a name
Too (2) of them out there	They carry all the blame
Noone (3) to care	Too (15) to (16) the chains
Lost and so alone	Forgotten children
Born but never known	They see, they feel, believe
Left all on their own	Just like we do
Forgotten children	The're laughing and crying
We'll (4) hear a name	Wanna (17) here
They (5) all the blame	Like me and you
Too young to (6) the chains	It shouldn't really be (18) way
Forgotten children	It shouldn't (19) be (20) way
They see, they feel, believe	We see, we feel, believe
Just (7) we do	Just like you
They're laughing, and crying	We're laughing and crying
Wanna (8) here	Wanna live here
Like me and you	We see, we feel, believe
Eyes without light	Just like you
Too (9) of good-byes	We're laughing and crying
Never (10) embraced	Wanna live here
And (11) of (12) face	Just (21) you
A life in disguise
