I settled down
A twisted up frown disguised as a smile, well
You would've (1)_____ known
I had it all, but not what I wanted
'Cause hope for me
Was a place uncharted and overgrown
You'd make your way in
I'd resist you just like this you can't (2)_____ me to feel
The truth never set me (3)_____ so I did it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open your eyes (4)_____ I opened mine
It's only the real world
A life you will never know
Shifting (5)_____ weight to throw off the pain
Well, you can ignore it, but only for so long
You (6)_____ (7)_____ I did

You resist me just like this you can't (8)_____ me to heal
And it hurts remembering how it (9)_____ to shut down
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
The truth never set me free
The truth never set me free
The truth never set me free so I'll do it myself
You can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to (10)_____ out
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to reach out more
More, more, more, more!
