Remenissions by Avenged Sevenfold

With this ink in our skin we've sealed our fate,
and the axe comes early
(only naturally) So what does that matter?
There's a bed of skeletons waiting for me,
on the other side
They're waiting for my next move (next fatal breath)
Human lives to me seem so unreal, can't see through the fog
(nothing past a grey wall) see past the stereotype
Belief, structure built up in you.
I'll tear you down and the one who (1)_____ you
If they didn't have One how would they act?
If we didn't have hope how would we behave?
Would they still feel remorse
if they slaughtered innocent beings?
Or is hope the (2)_____ thing that (3)_____ you
sane?
A good (4)_____ once told me we are our memory
without it we equal nothing
And all I can see is the place I wanna be
Timeless my (5)_____ was so free

Leaves at my feet, blown to the ground
their echoes are reaching my ears
Nights coming fast, suns going down
But keep away from me... keep away (6)_____ me
(it's hard, to keep me in this place, keep away from me)
We may have created the beginning, mentally
We may have created the beginning, physically
To the end of our human existence...
I see (7)_____ you
The fear that's in (8)_____ eyes
A good friend once told me we are our memory
Without it we equal nothing
And all I can see is the (9)_____ I wanna be
Timeless my life was so free
Leaves at my feet, blown to the ground
their echoes are reaching my ears
Nights coming fast, suns going down - confused
I don't know the answers but neither do you.
