White Flags (Live) by Dido

I know you think that I shouldn't still (1)_____ you
Or tell you that
But if I didn't say it, well I'd still have (2)_____ it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
But I (3)_____ go down with this ship
And I won't put my (4)_____ up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess and
Destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "it's over"
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And (5)_____ we meet

Which I'm sure we will
All (6)_____ was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on...
I will go down with this ship
And I won't put my hands up and surrender
There will be no white (7)_____ above my door
I'm in love and always will be
I (8)_____ go down with this ship
And I won't put my (9)_____ up and surrender
There will be no white flag above my door
I'm in love and (10)_____ will be
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love (and always will be)
