My Friends Over You by New Found Glory

I'm drunk off your kiss
For another (1)_____ in a row
This is becoming too routine for me
But I did not mean to lead you on
And it's all right to pretend
That we still talk
It's just for show, isn't it
It's my fault that it fell apart
Just maybe
You (2)_____ this
And I didn't mean to
Lead you on
You were (3)_____ I wanted
But I (4)_____ can't (5)_____ what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
Please tell me everything
That you think that I (6)_____ know
About all the plans you made
When I was nowhere to be found
And it's all right to forget
That we still talk
It's just for fun, isn't it
It's my fault (7)_____ it fell apart
Just maybe you (8)_____ this

And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I (9)_____ pick my friends over you
My friends over you
Just maybe you need this
You need this...
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear (10)_____ you are true
I still pick my friends over...
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
