My Friends Over You by New Found Glory

I'm (1)_____ off your kiss
For another night in a row
This is becoming too routine for me
But I did not mean to lead you on
And it's all right to pretend
That we (2)_____ talk
It's just for show, isn't it
It's my fault that it fell apart
Just maybe
You need this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish (3)_____ I've started
There's no room left here on my back
It was damaged long ago
Though you (4)_____ that you are true
I still pick my friends over you
My friends over you
Please tell me everything
That you think that I should know
About all the plans you made
When I was nowhere to be found
And it's all right to forget
That we still talk
It's (5)_____ for fun, (6)_____ it
It's my fault that it fell apart
Just maybe you need this

And I didn't mean to
Lead you on
You were everything I wanted
But I just can't (7)_____ what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
Just maybe you need this
You (8)_____ this...
And I didn't mean to
Lead you on
You were (9)_____ I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over...
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my (10)_____ over you
My friends over you
