(6)_____ over me, all over me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all (7)_____ fun

It's (8)_____ to be a man

So you better quit your bitc*ing

Think about what the (9)_____ (10)_____ say

It's not on me, it's all on you

I can't (11)_____ what you want me to

You (12)_____ some sleep, you better leave

He (13)_____ over me, all (14)_____ me

Wait until tomorrow, and it's gone

So long

(15)_____ until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and (16)_____ till it's gone

-He don't got a lot but he's got all he needs-

I need someone to love

-And all he's got well it's all (17)_____ he needs-

Somebody help me because

I could hear the (18)_____ in the tube

To get me through anything

I do and (19)_____ will do good by me

A little pill, a little thrill

Should I take it? I think I will

And (20)_____ will do good so

As long as it's (21)_____ too good

Either way I don't give a (22)_____

What you (23)_____ all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her (24)_____ feet

Walked over me, all over me

It's not on me, it's all on you

There comes a time to speak the truth

So you can see me when I leave

(25)_____ (26)_____ you, all over you yeah
