But if I jumped out of the window what would she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty feet

(6)_____ (7)_____ me, all over me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The (8)_____ and the mess I'm in

I should be dead

He said, let's all think

Then you've had all (9)_____ fun

It's time to be a man

So you better quit (10)_____ bitc*ing

Think about what the people would say

It's not on me, it's all on you

I can't prescribe what you (11)_____ me to

You need some sleep, you better leave

He (12)_____ over me, all over me

Wait until tomorrow, and it's gone

So long

(13)_____ until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow (14)_____ it's gone

-He don't got a lot but he's got all he needs-

I need (15)_____ to love

-And all he's got well it's all (16)_____ he needs-

(17)_____ help me because

I could hear the (18)_____ in the tube

To get me through anything

I do and anything will do good by me

A (19)_____ pill, a little thrill

Should I take it? I think I will

And (20)_____ will do good so

As long as it's always too good

Either way I don't give a (21)_____

(22)_____ you (23)_____ all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her pretty feet

Walked over me, all over me

It's not on me, it's all on you

There comes a time to (24)_____ the truth

So you can see me when I leave

Walk over you, all over you yeah
