

## Fill in the gaps

Listen up, turn it up and rock it out	I fell to temptation
party on, I wanna hear you scream and shout	And there is no question
this is real, as real as it gets	There was some connection
I came to get down to get some (1) respect	I've got to follow my heart
taking it back to hardcore level	No matter how far
you better be ready, put your pedal to the metal	I've gotta roll the dice
taking it back to hardcore level	Never look back and never think twice
you better be ready, put your pedal to the metal.	Whoa I'll (6) give in
Go!	Whoa I'll never give up
Whoa I'll never (2) in	Whoa I'll never give in
Whoa I'll never give up	And I just wanna be, (7) be loved
Whoa I'll never give in	Whoa I'll never give in
And I just wanna be, wanna be loved	Whoa I'll never give up
Whoa I'll never give in	Whoa I'll never give in
Whoa I'll never give up	And I just wanna be, wanna be loved
Whoa I'll never give in	Take your past and burn it up and let it go
And I just (3) be, (4) be loved	Carry on; I'm stronger than (8) ever
I want domination	know
I want your submission	That's the deal; you get no respect
I see you're not resisting	You're gonna get yours
I see you're not resisting To this temptation	You're gonna get yours You better watch your fucking neck
