Shelter by Birdy

Fill in the gaps

I find shelter, in this way	
Under cover, (1) away	
Can you hear when I say	
I have never felt this way?	
Maybe I have said	
Something that was wrong	
Can I make it better	
With the lights turned on?	
Maybe I have said	
Something (2) was wrong	
Can I make it better	
With the lights turned on?	
Can I be? Was I there?	
It (3) so crystal in the air	
it (3) so crystai in the air	
I still want to drown whenever you leave	
	how to breathe
I still want to drown whenever you leave	how to breathe
I still want to drown whenever you leave Please (4) me (5)	how to breathe
I still want to drown whenever you leave Please (4) me (5) And I'll cross oceans like never before	how to breathe
I still want to drown whenever you leave Please (4) me (5) And I'll cross oceans like never before So you can feel the way I feel it too	how to breathe
I still want to drown whenever you leave Please (4) me (5) And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images (6) at you	how to breathe
I still want to drown whenever you leave Please (4) me (5) And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images (6) at you So you can see the way I feel it too	how to breathe
