Northern lights by Cider Sky

Every time I close my eyes

I can touch the colors around me

Suddenly I realize

Everything I thought was (1)_____ is
here

And my (2)_____ sings in a world so incredible

And everything burns much brighter

I want to fly into this beautiful life

I think it'd be nice with you

I want to fly into this beautiful life

I think it'd be nice with you,

With you, with you, with you

Fingertips, northern lights,

tracing colors right through the sky

Underneath a lullaby

I (3)_____ felt as blissful as I do here

And my heart sings in a world so incredible

And everything shines (4)_____ brighter

I (5)_____ to fly into this beautiful life

I think it'd be nice with you

I want to fly into this (6)_____ life

I think it'd be nice with you,

With you, with you, with you

Set the night on fire if we want to

Hanging out with the stars and the big moon

I'm (7)_____ well thank you, how do you do?

I think it'd be nice with you

Set the night on fire if we want to

Hanging out with the stars and the big moon

Put them down for a dance with your lasso

I think it'd be nice with you, with you (bis)
