## Calling me names by Good Old War

You should blame yourself	Calling me names
You and no one else	Calling, calling me names
You can say you're not	You should blame yourself
But you were guilty as well	You and no one else
Instead of making sense	You can say you're not
And talking like we're friends	But you were guilty as well
You think it's a better idea	Instead of making sense
Calling, calling, calling me names	And talking like we're friends
Don't think it's gonna (1) me	You (4) (5) a better idea
Calling me names	Calling, calling, calling me names
Calling, calling, calling me names	Don't think it's gonna change me
Don't think it's ever gonna change me	Calling me names
Calling me names	Calling, calling, calling me names
Calling, calling me names	(6) (7) it's ever
Calling, calling me names And I should talk about	(6) (7) it's ever (8) change me
