

Ldn by Lily Allen

Riding through the city on my bike all day
'Cause the filth took away my license
It doesn't get me down and I feel O.K.
'Cause the sights (1)_____ I'm seeing are priceless
Everything seems to (2)_____ as it should
But I wonder what goes on behind doors
A fella (3)_____ dapper, but he's sitting with a
slapper
Then I see it's a pimp and his crack whore
You might laugh, you might frown
Walking 'round London town
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be (4)_____ else?
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
There was a (5)_____ old lady who was walking
down the road
She was struggling with bags from Tesco
There were people from the city having (6)_____ in the
park
I believe that it's called al fresco
When a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
'Cause he's got all her jewellery and wallet
You might laugh, you might frown
Walking 'round London town
