Something I need by One Republic

I had a dream the other night
About how we only get one life
(1)_____ me up right (2)_____ two
I stayed awake and (3)_____ at you
So I wouldn't lose my mind
And I had the week that came from hell
And yes, I know that you could tell
But you're like the net under the ledge
When I go flying off the edge
You go flying off as well
And if you only die once
I want to die with...
You got something I need
In this (4)_____ full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In (5)_____ world full of people
There's one (6)_____ me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've tried to say it
(7)_____ don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me

And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die (8)_____ you
I know (9)_____ we're not the same
But I'm so damn glad
That we made it to this time, this time
You got something I need
Yeah, in this (10)_____ full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
If we only die once
I want to die with...
If we only live once
I want to live with you
