

## Fill in the gaps

And I can't (1)	forever	We don't care (9)	_ the people say
It seemed to live out these dreams		And we don't care what they wanna do	
When you start to think		And we don't care about it anymore	
About taking a chance		We do what we want	
You can't give a damn		And I ain't wasting a no more time	
I'm a hopeless romantic		It's now or never I'm about to get mine	
For the love with a simple idea		It's now or never I'm about to get mine	
With a little bit of luck and a whole lotta work		It's now	
I can make everyone of these visions real		It's now or never, it's now or never	
So we don't care what the people say		We don't care what the people say	
And we don't care what they wanna do		And we don't care (10) they wanna do	
And we don't (2) about it anymore		And we don't care about it anymore	
We do what we want		We do what we want	
And I ain't wasting a no more (3)		And I ain't wasting a no more time	
It's now or never I'm abou	t to get mine	It's now or never I'm about to	to get mine
It's now or (4)	_ I'm about to get mine	It's now or never I'm about to	to get mine
It's now or never		It's now or never	
It's now or never, it's now or never		I'm about to get mine mine mine	
So we don't care what the people say		It's about that time	
And we don't care what they wanna do		We don't care what the people say	
And we don't care about it anymore		And we don't care what they wanna do	
We do what we (5)		And we don't care about it anymore	
And I ain't wasting a no more time		We do what we want	
It's now or never I'm about to get mine		And I ain't wasting a no more time	
It's now or never I'm about to get (6)		It's now or never I'm about to get mine	
It's now or never		It's now or never I'm about to get mine	
It's time to decide		It's now or never	
If it's worth the fight or letting it slide		It's now or never, it's now or never	
And I drew the line at wasting away or waiting to be saved		We don't care what the people say	
Yeah, so I made my own luck		And we don't care what they wanna do	
Keep my head on straight and kick up the dust		And we don't care about it anymore	
And the money well it don't mean (7)		We do what we want	
I did it for the love and (8) was enough		And I ain't wasting a no more time	
The way I dreamed it		It's now or never I'm about to get mine	
Ain't the way it played out		It's now or never I'm about to get mine	
Missed every road that looked to be the safe route		It's now or never	
No directions I made my v	way out		
I don't give a damn what th	ney say no way now
