

Fill in the gaps

Sweater weather by The Neighbourhood

And all I am is a man

I (1)_____ the world in my hands

I hate the beach

But I stand in (2)_____ with my toes in
the sand

Use the sleeves on my sweater

Let's have an adventure

Head in the clouds but my gravity's centered

Touch my neck and I'll touch yours

You in those little high (3)_____ shorts

Oh, she knows what I think about

And what I think about

One love, two mouths

One love, one house

No shirt, no blouse

Just us, you find out

(4)_____ I really want to tell you about, no

Because it's too cold for you here

And now, so let me hold (5)_____ your hands

In the holes of my sweater

Before I may just take your breath away

I don't mind because now I might to say

(6)_____ the silence guides your mind

So move to a place so far away

The goosebumps start to race

The minute that my left hand

Meets your waist

And then I watch your face

Put my finger on (7)_____ tongue because you love to
taste

This heart's a door

Everyone the other be touched is for

Inside this place is warm

Outside it starts to pour

Coming down

One love, two mouths

One love, one house

No shirt, no blouse

Just us, you find out

Nothing I really want to tell you about, no

Because it's too cold for you here

And now, so let me hold both your hands

In the holes of my sweater

Because it's too cold for you here

And now, so let me hold both your hands

In the holes of my sweater

(8)_____ it's too cold for you here

And now, so let me hold (9)_____ your hands

In the holes of my sweater

(10)_____ it's too cold for you here

And now, let me hold both your hands

In the holes of my sweater

It's too cold, it's too cold

The holes of my sweater

Answer

1. want
2. California
