Before the worst by The Script

It's been a while since the two of us talked

About a week since the day that you walked

Knowing things would never be the same

With your empty heart and mine full of pain

So explain to me, how we came to this

Take it back to the night we kissed

It was Dublin city on a Friday night

(1)_____ were vodkas and coke, I was Guinness all night

We were sitting with our backs (2)_____ the world

Saying things that we thought but never heard

Who would have thought it would end up like this?

Where everything we talked about is gone?

And the only (3)_____ we have of moving on

Is try to take it back (4)_____ it all went wrong

Before the worst, before we mend

Before our hearts decide

It's time to love again

Before too late

Before too long

Let's try to take it back before it all went wrong

There was a time

That we'd stay up all night

Best friends yet talking till the daylight

Took the joys alongside the pain

With not much to loose, but so much to gain

Are you hearing me? Because I don't wanna miss you

You were adrift on (5)_____ bliss

In this Grafton Street on a rainy night

I was down on one knee and you were mine for life

We were (6)_____ we would never be apart

With your name tattooed across my heart

Who would have thought it would end up like this?

Where everything we talked about is gone

And the only chance we have of moving on

Is try to take it back before it all went wrong

Before the worst, before we mend

(7)_____ our hearts decide

It's time to love again

Before too late

Before too long

Let's try to take it back before it all went wrong

And if the (8)_____ don't clear

Then we'll rise above it, we'll rise above it

Heaven's gate is so near

Come walk with me through

Just (9)_____ we used to, just like we used to

Let's take it back before it all went wrong

Before the worst, before we mend

Before our hearts decide

It's time to love again

Before too late

Before too long

Let's try to take it back before it all went wrong

Answer

1. There
2. against
3. chance
4. before
5. memory
6. thinking
7. Before
8. clouds
9. like
