

Oh, I could bore you with the truth

Fill in the gaps

About an uneventful youth
Or you could get that rap from someone else
And I could make an observation
If you are the voice of a generation
But I'm too self-absorbed to give it clout
And I, I don't really care about anybody else
When I haven't got my own life figured out
Because when you're young and bored and 24
And don't know who you are, nobody's no hope
And it's hard to come of age
I think it's a problem
As I never go away
And no, I am so self-obsessed I guess
But there's no hope
But I hope it's just a phase
Or I'll grow
Oh, I could look for inspiration
Find it in the track on an English station
But weren't that be cheap and ill-informed?
And I could bet you (1) believe me
And I could bet you (1) believe me If I share a cape from (2) within me
If I share a cape from (2) within me
If I share a cape from (2) within me But I promise you I'm telling you the truth
If I share a cape from (2) within me But I promise you I'm telling you the truth And I, I don't really care about anybody else
If I share a cape from (2) within me But I promise you I'm telling you the truth And I, I don't really care about anybody else When I haven't got my own life figured out
If I share a cape from (2) within me But I promise you I'm telling you the truth And I, I don't really care about anybody else When I haven't got my own life figured out Because when (3) 24 and young and bored And don't know who you are nobody's no hope
If I share a cape from (2) within me But I promise you I'm telling you the truth And I, I don't really care about anybody else When I haven't got my own life figured out Because when (3) 24 and young and bored

Well I wish that I was comfortable in my own skin

But the whole thing feels like an exercise
I'm trying to be someone I would rather not be
I'd try to (5) guess
If you (6) be approving
I find my life ever so moving
Keen wide-eyed and unassuming
No (7)Ok-
There is no hope
When there's desperately
No hope, when there's definitely
No hope, if you don't believe me
Yeah there is no hope
When there's desperately
No hope, when there's definitely
No hope but if you don't believe me oh
