

| If you want control             |
|---------------------------------|
| Without any pain                |
| How long will you suffer?       |
| How long will you reign         |
| You see the friend that I knew? |
| Cannot be found                 |
| Replaced by another             |
| Wearing his crown               |
| Theres a place (1) I go         |
| Without any sound               |
| Only you can reach me           |
| Only youre allowed              |
| And youre so far away           |
| Youre so far from here          |
| Do you remember                 |
| Our time without tears?         |
| When you're falling             |
| I will catch you                |
| You dont have to (2) that far   |
| You can make it                 |
| I will be there                 |
| You were broken (3) the start   |
| When you were a child           |
| You'd dream all day long        |
| You'd (4) of the future         |
|                                 |
