

## Fill in the gaps

### I Love My Computer by Bad Religion

I love my computer  
You make me feel alright  
Every waking hour  
And every (1)\_\_\_\_\_ night  
I love my computer  
For all you give to me:  
Predictable errors and no identity  
And it's never (2)\_\_\_\_\_ quite so easy  
I've never been quite so happy  
All I (3)\_\_\_\_\_ to do is click on you  
And we'll be joined  
In the most soul-less way  
And we'll never ruin each other's day  
'cuz when I'm through I just click  
And you just go away  
I love my computer  
You're always in the mood  
I get so turned on

When I turn on you  
I love my computer  
You never ask for more  
You can be a princess  
Or you can be my whore  
And it's never been quite so easy  
I've never been (4)\_\_\_\_\_ so happy  
The (5)\_\_\_\_\_ outside is so big  
But it's safe in my domain  
Because to you  
I'm (6)\_\_\_\_\_ a number  
And a clever screen name  
All I need to do is (7)\_\_\_\_\_ on you  
And we'll be together for eternity  
And no one is ever (8)\_\_\_\_\_ (9)\_\_\_\_\_ my love  
From me (10)\_\_\_\_\_ I've got security  
Her password and a key

## Fill in the gaps

### Answer

1. lonely
