

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of (1)_____ feet
Will (2)_____ mouth (3)_____ remember the
(4)_____ of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still feel as (5)_____ at twenty
three
And I'm (6)_____ about how
People fall in love in (7)_____ ways
Maybe (8)_____ the (9)_____ of a hand
Well me I (10)_____ in love with you every single day
And I just want to tell you I am
So honey now
Take me into your loving arms
Kiss me (11)_____ the light of a thousand stars
Place (12)_____ head on my beating heart
I'm (13)_____ out loud
Maybe we found love
Right (14)_____ we are
When my hairs all but (15)_____
And my (16)_____ fades
And the (17)_____ don't remember my name
When my hands don't play the strings the same way
I know you will still (18)_____ me the same
Because honey your soul could never grow old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm thinking (19)_____ how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the (20)_____ mistakes
Hoping that you'll understand
That baby now
Take me (21)_____ your loving arms
Kiss me under the light of a thousand stars
Place your (22)_____ on my beating heart
I'm (23)_____ out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your (24)_____ on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love right where we are
And we found love right where we are

Fill in the gaps

Answer

1. your
