Thinking Out Loud by Ed Sheeran

When your (1)_____ don't (2)_____ like they used

And I can't sweep you off of (3)_____ feet
Will your (4)_____ still remember the (5)_____

Will your eyes still smile from your cheeks?
Darling I will be (6)_____ you (7)_____ we're
seventy
And baby my heart could (8)_____ feel as hard at
twenty three
And I'm thinking (9)_____ how
People fall in love in (10)_____ ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just want to (11)_____ you I am
So honey now
Take me into your loving arms
Kiss me under the light of a (12)_____ stars
Place your (13)_____ on my beating heart
I'm thinking out loud
Maybe we (14)_____ love
Right where we are
When my hairs all but gone
And my memory fades
And the (15)_____ don't remember my name
When my (16)_____ don't play the
(17)_____ the (18)_____ way
I know you (19)_____ still love me the same
Because honey your soul could (20)_____
(21)_____ old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And (22)_____ it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your (23)_____ arms
Kiss me under the light of a thousand stars
Place your (24)_____ on my beating heart
I'm thinking out loud
Baby we (25)_____ love
Right (26)_____ we are
So (27)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we (28)_____ love right where we are
And we found love right (29)_____ we are
