

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't (1)_____ you off of your feet
Will (2)_____ (3)_____ still remember the
(4)_____ of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still (5)_____ as (6)_____
at twenty three
And I'm thinking about how
People fall in love in (7)_____ ways
Maybe (8)_____ the touch of a hand
Well me I fall in love with you every single day
And I just (9)_____ to (10)_____ you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but (11)_____
And my (12)_____ fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I (13)_____ you will still love me the same
Because honey (14)_____ soul could never grow old

It's evergreen
And baby your smile is (15)_____
In my mind and memory
I'm thinking (16)_____ how
People (17)_____ in love in
(18)_____ ways
And (19)_____ it's all part of a plan
I'll just keep on (20)_____ the same mistakes
Hoping that you'll understand
That baby now
Take me into your (21)_____ arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm (22)_____ out loud
Baby we found love
Right where we are
So (23)_____ now
Take me into your loving arms
Kiss me (24)_____ the light of a
(25)_____ stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love right where we are
And we (26)_____ (27)_____ right
(28)_____ we are

Fill in the gaps

Answer

1. sweep
2. your
