Don't wanna hear you lie tonight

Fill in the gaps

Break free (feat. Zedd) by Ariana Grande

	Now that I've become who I really am
If you want it, (1) it	[x2:]
I should've said it before	This is the part when I say I don't want ya
Tried to hide it, (2) it	I'm stronger than I've been before
I can't pretend anymore	This is the part when I break free
I (3) (4) die alive	'Cause I can't resist it no more
Never by the hands of a broken heart	No more, baby, ooh
Don't wanna hear you lie tonight	Thought on your body
Now that I've become who I really am	I came alive
[x2:]	It was lethal
This is the part (5) I say I don't want ya	It was fatal
I'm stronger than I've been before	In my dreams it felt so right
This is the part when I break free	But I (9) up every time
'Cause I can't resist it no more	Oh, baby
You were better, deeper	[x2:]
I was under your spell	This is the part when I say I don't want ya
Like a deadly fever, yeah, babe	I'm stronger than I've been before
On the (6) to hell, yeah	This is the part when I break free
I only (7) die alive	'Cause I can't resist it no more
Never by the hands of a (8) heart
