Now that you can't have me
You suddenly want me
Now that I'm with somebody else
You tell me you love me
I slept on your door step
Begging for one chance
Now that I finally move on
You say you missed me all along
Who do you think you are?
Who do you think I am?
You only love to see me breaking
You only want me 'cause I'm taken
You don't really want my heart
No, you (1)_____ like to know you can
