'What we've got here is failure to communicate.
Some men you just can't reach.
So, you get what we had here last week,
which is the way he wants it.
Well, he gets it. I don't like it
any more than you men.'
Look at your young men fighting
Look at your women crying
Look at your young men dying
The way they've always done before
Look at the hate we're breeding
Look at the fear we're feeding
Look at the lives we're leading
The way we've always done before
My hands are tied
The billions shift from side to side
And the wars go on with brainwashed pride
For the (1) of God and our human rights
And all these things are swept aside
By bloody hands time can't deny
And are washed away by your genocide
And are washed away by your genocide And history hides the (2) of our civil wars

I don't need your civil war

Look at the (6) you're filling Look at the blood we're spilling
Look at the (7) we're killing
The way we've always done before
Look in the doubt we've wallowed
Look at the leaders we've followed
Look at the lies we've swallowed
And I don't want to (8) no more
My hands are tied
For all I've seen has changed my mind
But still the wars go on as the years go by
With no (9) of God or human rights
'Cause all these dreams are swept aside
By bloody hands of the hypnotized
Who carry the cross of homicide
And history bears the scars of our civil wars
We practice selective annihilation
Of mayors and government officials
For example to create a vacuum
Then we fill that vacuum
As popular war advances
Peace is closer
I don't need your civil war
It feeds the rich while it buries the poor
Your power hungry sellin' soldiers
In a human grocery store
Ain't that fresh
And I don't need your civil war
I don't need your civil war
I don't need your civil war
Your power hungry sellin' soldiers
In a human grocery store
Ain't that fresh
I don't need your civil war
I don't need one more war
I don't need one (10) war
What's so civil 'bout war anyway
