

I remember the old country
They call the emerald land
And I remember my hometown
Before the war (1)
Now we're riding on a sea of rage
The (2) you (3) (4)
You'll never hear them sing again
The Forty Shades Of Green
We're goin' back to the wild frontier
Back to the wild frontier, it's calling
Back to the (5) frontier
We're goin' back
Back to the wild frontier
I remember my city streets
Before the (6) came
Before the (6) came
Before the (6) came Now (7) cars and barricades
Before the (6) came Now (7) cars and barricades Remind us of our shame
Before the (6) came Now (7) cars and barricades Remind us of our shame We are drowning in a sea of blood
Before the (6) came Now (7) cars and barricades Remind us of our shame We are drowning in a sea of blood The victims you have seen
Before the (6) came Now (7) cars and barricades Remind us of our shame We are drowning in a sea of blood The victims you have seen Never more to sing again
