

Hot N Cold by Katy Perry

You change your mind
Like a girl changes clothes
Yeah, you PMS like a bitch
I would know
And you always think
Always (1)_____ cryptically
I should know
That you're no good for me
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we (2)_____ up
We kiss, we make up
You, you don't really wanna stay, no
You, but you don't really (3)_____ go, oh
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
We used to be just (4)_____ twins, so in sync
The same energy now's a dead battery
Used to laugh 'bout nothing
Now you're plain boring
I should know
That you're not gonna change
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
