

## Fill in the gaps

### All The Rest Of My Life by Axel Rudi Pell

|   |                                |
|---|--------------------------------|
| In the distance from far away                       | I want you,                    |
| I can hear your voice, the words that you say       | All the rest of my life        |
| You left forever, your love has been gone           | I want you,                    |
| But I still feel so strong... for you               | All the rest of my life        |
| You (1)_____ me crying, you're leaving me alone     | (The) rest of my life          |
| You and I together, once it was so strong           | I want you,                    |
| The (2)_____ of love has broken, you're fire has    | All the (5)_____ of my life    |
| (3)_____ gone                                       | I want you,                    |
| Now I'm back on my own                              | 'Cause I need you              |
| Come back and stay                                  | All the (6)_____ of my life    |
| Don't leave me all alone                            | I want you,                    |
| Can you hear me pray                                | And I want you                 |
| Forever   | All the (7)_____ of my life    |
| Forever   | I want you,                    |
| I want you,   | (You'll always be the one)     |
| All the rest of my life                             | All the rest of my life        |
| I want you,   | (The rest of my life)          |
| All the rest of my life                             | I (8)_____ you,                |
| (The) rest of my life                               | (I need you close to me)       |
| Every moment (still) I'm thinking of you            | All the rest of my life        |
| But it seems that there's nothing, nothing I can do | I (9)_____ you,                |
| If there's something, something I could say         | ('Cause I need you)            |
| To bring you back some day                          | All the rest of my life        |
| Come back and stay                                  | (All the (10)_____ of my life) |
| Don't (4)_____ me all alone                         | Yeah...                        |
| Can you hear me pray                                |                                |
| Forever   |                                |
| Forever   |                                |

Answer

1. left
2. shield
3. been
4. leave
5. rest
6. rest
7. rest
8. want
9. want
10. rest
