So Far Away by Dire Straits

Fill in the gaps

Here I am again in this mean old town
And you're so far (1) from me
And where are you when the sun go down
You're so far away from me
So far away from me
So far I just can't see
So far away from me
You're so far away from me
I'm tired of being in love and being all alone
When you're so far away from me
I'm tired of making out on the telephone
When you're so far away (2) me
So far away (3) me
So far I (4) can't see
Solari (4) Carri see
So far (5) from me
So far (5) from me
So far (5) from me You're so far away from me
So far (5) from me You're so far away from me And I get so (6) when I have to explain
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (7) from me
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (7) from me So far away from me
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (7) from me So far away from me So far I just can't see
So far (5) from me You're so far away from me And I get so (6) when I have to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (7) from me So far away from me So far I just can't see So far away from me
